

## 'Official Security Sponsor of the CREW AWARDS 2022'

CSS Platinum were delighted to attend the ACREW Awards as official security sponsor in Porto Montenegro this month! In what was the biggest Crew Awards event yet, over 500 Captains, Crew and Professionals met at the world-renowned marina Porto Montenegro for a weekend of celebrations!

## Monaco Yacht Show 2022

The world's leading superyacht shipyards, brokerages, superyacht designers and naval architects flocked to Port Hercule last week for the 31st edition of the Monaco Yacht Show. Easily the most prestigious event in the global boat show calendar, the Monaco Yacht Show 2022 saw the harbour filled with luxurious superyachts worth a combined total of A\$6.6 billion.

With the team from Sentient International.

With the team from Crewdentals at the International Superyacht Society (ISS) hosted event at Monaco.

Great to meet with the Affinity team at the Hill Dickinson event.

The quality of the superyachts on display was top-notch, but the appeal of the world's premiere luxury yachting event runs far deeper than just an admiration of the vessels on display. This year, the exposition gave attendees a glimpse into an exciting future.

New additions such as an enlarged Yacht Design and Innovation Hub reflected the yachting industry's efforts to keep up with rapidly evolving markets and technologies of which cyber security become a critical part.
